GREEN INVOICE PROGRAM:

In order to help and save our planet and join in the program to help prevent the GLOBAL WARMING, Beyond Cell International introduced the NEW PROGRAM called “**GREEN INVOICE**”.

Using paper means killing TREES and killing the planet. Please help us to save our PLANET, save our CHILDREN for a better FUTURE.

What is **GREEN INVOICE**?

GREEN INVOICE means **PAPERLESS INVOICE**. We WILL NOT attach any invoice with your orders. But you will receive invoices through your emails or you can directly download from your account on our website.

Customers, who wish to join this PROGRAM, please contact us and fill out our form. You will receive a **\$50.00 Company CREDIT** good for your future purchases.

Below is the application for customers who wish to join the GREEN INVOICE with us.
